### **TCAM Celebrates Successful Year**

BOSTON, MA – TCAM, a leading investment manager for the affordable housing and renewable energy industries, today announced the conclusion of a successful 2011 during which the Company experienced significant growth. In 2011, TCAM’s portfolio increased by 20% to 541 properties and over 70,000 apartment units nationwide. TCAM’s list of clients also expanded with the addition of major financial institutions, an affordable housing lender, a LIHTC syndicator, guarantors, national owners and developers, a renewable energy investment fund and a large urban housing authority. TCAM continued to diversify its service offerings providing asset monitoring, owner’s representation, risk mitigation, workout support and advisory services for its growing list of clients.

TCAM is currently providing services for more than \$3 billion of capital invested in properties located in 45 states, Washington, D.C. and Puerto Rico. With long-term relationships with some of the most active institutions and organizations in the affordable housing industry and a flexible business platform, TCAM is well-positioned for further growth in 2012. “2011 was an important year for TCAM,” said Chief Executive Officer Jenny Netzer. “We expanded the scope and range of our services, as well as our client base. We look forward to continuing to work with clients to limit risk, unlock value and achieve their goals.”
